Dear Service Provider:

Effective January 1, 2021, Florida Statute §448.095 became effective. This new law requires all contractors dealing with public entities such as the Board of Trustees to register with and use the Department of Homeland Security's E-Verify system to assure that newly hired employees of your company are U.S. citizens or otherwise legally permitted to perform services in the State of Florida.

The law will apply to all new contracts and all employees hired on or after January 1, 2021. After you have completed the registration process, please notify the Fund of your compliance. Attached to this letter is additional information on how to register including a memorandum from the Fund's counsel.

Please feel free to contact us with any questions.

Sincerely,

(Plan Administrator or Chairperson)
